2024-2025 School Slogan

Herbert A. Ammons Sr.

Herbert Alphonso Ammons Sr. was an African American who lived during a period of racial discrimination. During his adolescence and part of adulthood, schools were segregated. Despite this adversity, Herbert A. Ammons Sr. was the recipient of many awards due to his involvement and service in the community.

Herbert Ammons was involved in the improvement of his community, especially politically, by working with the National Association for the Advancement of Colored People (NAACP). When he moved to Richmond Heights in Miami, Florida, he became involved in urging African Americans to register to vote. He was instrumental in the development of a political voice for black Americans.

Ammons also aided in organizing the first Boy Scout troop in his Mississippi community. For this endeavor, he was awarded the "Silver Beaver Award". He also worked to provide public education for children. In 1952, he became the principal of Tunica Vocational High School, in Tunica, Mississippi. When he moved to Richmond Heights in 1959, he taught at Mays Sr. High. Then, much later in 1980, he taught at Homestead Sr. High. He not only taught in public education, but he also taught the young in Sunday school. He was presented with the "Citizen of the Year Award" for being the driving force in obtaining paved streets and streetlights in his Richmond Heights community. Thus, his involvement in community service was manifested in various ways.

School Information

Student Drop-off

In the mornings, parents should drop their children off in the designated drop-off zone that is provided on the inside of the campus. To access to the parent drop-off zone from 157th Ave, head eastbound on 174th St (located on the north side of the school). Parent drop-off access road is the second right that would put you on the road to come around to the drop zone. Children should have all of their belongings needed for the school day ready so that they are able to exit the vehicle as safely and quickly as possible. Parents, please do not drop your child off on 157th Ave. That is not a drop-off zone and will result in a traffic citation. Also, parents please do not park on the community grass or drop your child off on 174th St. This is also not a drop off zone, and the community has asked us not to park or utilize that area as a drop-off zone. The sidewalk must remain clear to ensure access for walkers, strollers, and wheelchairs.

Dismissal and After-School Pick-up

We open the gate to release the busses at 3:57 p.m. A staggered dismissal is conducted daily for both, the parent pick-up area and bus loading zone to avoid crowding. As much as possible, school traffic should remain out of the community. Please respect homes and the neighborhood. Parents should access 174th Street from 157th Avenue in either direction and turn into the school to enter the parent drop-off and pick-up zone. Once your child is in the car, you must exit on 157th Avenue and continue north. Please do not make a U-turn where 157th Avenue and 174th Street meet. The School Resource Officer is there to assist drivers in safely moving through the intersection.

We kindly ask that all students be picked up from our campus. Students should not be picked up from the park across the street. The safety and security of our students continues to be of the utmost importance

Provides guidance to teachers, school and district administrators, parents and other stakeholders regarding the requirements and procedures for students to progress from one grade to the next, kindergarten through grade 12 and adult education. The information presented in this document is derived from requirements set forth by Florida Statutes, State Board of Education Rules and Policies established by The School Board of Miami-Dade County.

Agenda

The Ammons Middle School agenda is your helpful organizer. This book **MUST** be carried with you throughout the school day to each class. All daily class and home learning assignments, as well as projects, should be recorded in the agenda. Notes from teachers to parents and vice versa can also be communicated through the agenda book. List phone numbers of a “Study Buddy” by period. In the event of an absence from class, the student may call their “Study Buddy” to ask for missed assignments.

Alumni305 – Did you attend a Miami-Dade County public school during your K-12 education? If yes, we want you to be part of Alumni305, a new way to connect with your former classmates and alma maters. Visit mdcpsalumni.dadeschools.net and sign up.

Attendance

Florida Law (**Section 1003.21, Florida Statutes**) states that children of compulsory school age must attend school regularly during the entire school term. As such, Miami-Dade County Public Schools (M-DCPS) maintains an affirmative obligation to ensure that the compulsory attendance laws are enforced. Attendance is critical to the academic success of students. By attending school and class every day, students are more likely to keep up with the daily lessons and assignments and achieve academic success starting in kindergarten and continuing through high school. The Miami-Dade County Public Schools (M-DCPS) District has a vision whereby each student engages in a rigorous course of study in preparation for a myriad of successful post-secondary options.

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

Possession of a cellular telephone is not a violation of the Code of Student Conduct (COSC). However, the possession of a cellular telephone which disrupts the educational process; the use of the cellular telephone during school hours; and the possession or use of a cellular telephone which disrupts or interferes with the safety-to-life issue for students being transported on a MDCPS school bus, would be a violation of the COSC. **Therefore, students may not make or receive phone calls and/or text messages during the school day. Should an emergency occur where a parent wishes to speak to their child, an administrator must be contacted.**

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

Closing of School

The emergency closing of a school for any cause, such as weather or in which the safety of individuals may be endangered, is only at the discretion of the Superintendent of Schools.

Code of Student Conduct

The School Board of Miami-Dade County, Florida, approved The Code of Student Conduct (COSC). The COSC focuses on providing and maintaining a safe and positive learning environment for students, faculty, staff and community. A major consideration in the application of the COSC is cultivating a positive school climate to support academic achievement, promote fairness, civility, acceptance of diversity, and mutual respect. Toward that end, the range of inappropriate behavior is divided into five groups, along with both recommended and mandated corrective strategies.

The COSC addresses the role of the parents/guardians, the students, and school, but also focuses on core values and model student behavior, rights and responsibilities of students, addressing student behavior, and disciplinary procedures. Furthermore teachers, counselors and administrators work to use a variety of progressive corrective or guidance strategies to correct the inappropriate behaviors. Differences in age and maturity are recognized in determining the types of corrective strategies to be taken. However, the procedures outlined in the COSC apply to all students under the jurisdiction of Miami-Dade County Public Schools. The COSC is in force during regular school hours, while students are being transported on a school bus and at such times and places – including but not necessarily limited to school-sponsored events, field trips, athletic functions and other activities – where appropriate school administrators have jurisdiction over students. Principals are authorized to take administrative action whenever a student's off-campus conduct poses a threat or danger to the safety of other students, staff, School Board members, any other members of the District Community, or school property, or when the student's off-campus conduct has a substantial adverse impact on the educational environment requiring disciplinary action. Types of behaviors range from acts that disrupt the orderly operation of the classroom, school functions, and extracurricular activities or approved transportation to the most serious acts of misconduct and violent actions that threaten life.

The Code of Student Conduct outlines expected student behavior and a multitude of corrective strategies should misconduct occur. The COSC addresses students' rights and responsibilities pertaining to the right to learn; attendance; students' records; grades; free speech, expression and assembly; and publications. It also outlines parents' rights in regard to assuring their child's opportunity for an education. Students or parents having problems interpreting the COSC should address concerns through the school principal. Additionally, should the concerns not be resolved at the school level, an appeal can be made at the region office and subsequently to the District. The COSC can be accessed by going to the following website: codeofconduct.dadeschools.net If you do not have access to the Internet, you may go to your child's school and request to review the Code of Student Conduct.

Please take the time to review and discuss the importance of the Code of Student Conduct with your child or children. After reviewing the Code of Student Conduct, you and your child/children must sign, date, and return the accompanied Parent Receipt and Acknowledgement Form to your child's school within 5 school days.

Principals are encouraged to work with teachers and parents to implement guidelines found in Homework Policy 2330. Teachers are required to provide students with make-up assignments once the absence has been excused; however, it is the responsibility of the student to request the assignments from the teacher(s).

Since Ammons is on a block schedule, students should organize their time and plan accordingly to complete their assignments. Additionally, specialized programs such as International Baccalaureate (IBMYP) may receive increased levels of homework due to rigorous course work demand. Kindly refer to the course syllabi, which are distributed to the students at the beginning of the school year from the respective instructors, for coursework expectations and assignments.

IBMYP Progress Report Card

The purpose of the International Baccalaureate Middle Years Progress Report Card is to show the progress that students are making on the objectives of the International Baccalaureate Middle Years Program. Each of the courses in the MYP has a specific subject area guide. These guides spell out the aims (what students will experience or learn), the objectives (what the students will be able to do) and the assessment criteria (how they are evaluated).

LGBTQ Support

Every student has the right to learn in a safe and accepting school environment and schools have a responsibility to provide a safe and nondiscriminatory environment for all students. M-DCPS has established the Students Allies for Equity (SAFE) Network with liaisons in every school who are trained to ensure that all students have access to all aspects of school life in ways that preserve and protect their dignity.

Safety and Security

- ***Emergency Drills***

Six emergency drills, to include active shooter, hostage situations, bomb threats, and other potential emergencies will take place during the school year in accordance with Florida Administrative Code 6A-1.0018(15). All occupants of a building where an emergency drill is held are required to participate. The first emergency drill must take place within the first 10 days of the opening of schools, whereas all remaining drills must occur at least every 45 days that school is in session. All emergency drills shall be conducted in accordance with the appropriate corresponding situational response as outlined in the EOP and shall include developmentally appropriate and age-appropriate procedures.

- ***Emergency Operations Plan***

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

Student and employee safety is an utmost priority of the Miami-Dade County Public School (M-DCPS) System. The District Emergency Operations Plan (EOP) was created to provide District staff, school administration and personnel with the knowledge needed to respond to critical incidents or other related emergencies that may occur in our schools/community. All schools have a site-specific plan to address all types of critical incidents. These plans address the individual needs of the school and provide guidelines for devising methods for communicating with the staff, students, parents/guardians, and the media during a critical incident or an emergency. Some of the protective action procedures include emergency drills (active shooter, hostage, & bomb drills), the evacuation of students/staff from the building(s), evacuation of the disabled and if necessary the relocation of students/staff from the school campus, lockdown procedures and holding/dismissing students during school and community emergencies. Some important tips for parents/guardians to remember during a Critical Incident are as follows:

- Remain calm;
- Monitor media outlets for updates and official messages from M-DCPS;
- Do not flood the school with telephone calls; and
- Students will not be released during a lockdown. If you need to pick up your child wait until the lockdown is lifted before going to the school.

All school administrators, Region Center Superintendents/Directors and all MDSPD Police officers have been trained on the school EOP and are prepared to respond immediately during a critical incident or emergency to provide safety for all children.

- **Fire Drills (Evacuation Drills)**

Evacuation drills will take place during the school year in accordance with the National Fire Protection Association 101 Life Safety Code. When the fire alarm activates, students must stop what they are doing and follow the teacher's instructions. Students must clear the building promptly by the prescribed route. Any student who is in the hallway or the restroom must proceed to the nearest exit and locate the teacher. Students, teachers and staff must remain outside the building until permission is given to re-enter.

- **Standard Response Protocol**

During the Fall of the 2023-2024 school year, Miami-Dade County Public Schools adopted the Standard Response Protocol and uses the Standard Response Protocol (SRP) to communicate during emergencies or critical incidents. The SRP is a set of five actions using clear common language that everyone in our school, including students and staff, follow in case of an emergency or critical incident. These actions are HOLD, SECURE, LOCKDOWN, EVACUATE, and SHELTER. Refer to the Appendix to access the SRP Parent/Guardian flyer (Appendix "F"). In addition, parents/guardians can also access the SRP flyer in the parent portal.

- **Threat Assessments**

Miami-Dade County Public Schools (M-DCPS) has a mandated set of procedures for threat management overseen by a District Threat Management Coordinator. Schools must establish School-Based Threat Management Teams comprised of an administrator, counselor, teacher, and law enforcement officer. The schools utilize a problem-solving approach to harm prevention that involves assessment and intervention with students who threaten violence or harm. When a preliminary determination is made, that a student poses a threat of violence the team shall further convene to determine the best course of action. Authorized members of the team may obtain criminal history record information, if applicable. Students

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

determined to be at-risk for violence will be referred for mental health services as applicable. Threat management and disciplinary procedures are separate processes. Regardless of whether a threat is determined to low medium and high, appropriate disciplinary procedures shall be followed in accordance with the Code of Student Conduct.

School Activities/Clubs

All School Activities, clubs, and organizations must be approved by the principal and conform to the School Board Policies 5845 - Student Activities, 5830 - Student Fundraising and 9211 – Parent Organization, Booster Clubs, and Other Fund-Raising Activities.

- **Clubs**

Miami-Dade County Public Schools' students may participate in a wide variety of activities, including student council, subject-area clubs, honor societies, service clubs, school publications and class activities. School-sponsored clubs may be curriculum-related or noncurricular-related.

Curriculum-related clubs are student groups whose goals are an extension of the activities and objectives in a particular subject area within the school's curriculum. Conversely, noncurricular-related clubs are student groups whose goals are special interest oriented and not directly related to the curriculum. Meetings of noncurricular-related clubs may be scheduled only at times when instruction is not taking place, either before or after school.

School Class Picture Process

The school class picture monies will no longer be collected by school staff for this activity. Collection of monies will be conducted by the photographer and/or photographer's staff. At no time, shall a staff member, parent, volunteer, or member of a school-allied organization such as the PTA handle school class picture monies.

School Transportation

Miami-Dade County Public Schools will transport approximately 35,000 students a day this school year, using a fleet of 999 buses on 800 school-bus routes. The service is for students who live more than two (2) miles from their assigned school and for students with special needs in some instances.

Before school begins, parents/guardians of all students eligible for bus transportation should log on the BusPlannerWeb and view the bus assignment. The information is updated nightly, and a link is provided on the parent portal. Our school has adopted The "I Love U Guys" Foundation's Standard Response Protocol (SRP). Students and staff will be training, practicing, and drilling the protocol.

COMMON LANGUAGE
The Standard Response Protocol (SRP) is based on an all-hazards approach as opposed to individual scenarios. Like the Incident Command System (ICS), SRP utilizes clear common language while allowing for flexibility in protocol.

The premise is simple - there are five specific actions that can be performed during an incident. When communicating these, the action is labeled with a "Term of Art" and is then followed by a "Directive." Execution of the action is performed by active participants, including students, staff, teachers and first responders. The SRP is based on the following actions: Hold, Secure, Lockdown, Evacuate, and Shelter.

LOCKDOWN

"Locks, Lights, Out of Sight"

Students are trained to:

- Move away from sight
- Maintain silence
- Do not open the door

Adults and staff are trained to:

- Recover students from hallway if possible
- Lock the classroom door
- Turn out the lights
- Move away from sight
- Maintain silence
- Do not open the door
- Prepare to evade or defend

HOLD

"In Your Classroom or Area"

Students are trained to:

- Clear the hallways and remain in their area or room until the "All Clear" is announced
- Do business as usual

Adults and staff are trained to:

- Close and lock the door
- Account for students and adults
- Do business as usual

EVACUATE

"To a Location"

Students are trained to:

- Leave stuff behind if required to
- If possible, bring their phone
- Follow instructions

Adults and staff are trained to:

- Bring roll sheet and Go Bag (unless instructed not to bring anything with them, dependent on reason for evacuation.)
- Lead students to Evacuation location
- Account for students and adults

SECURE

"Get inside. Lock outside doors"

Students are trained to:

- Return to inside of building
- Do business as usual

Adults and staff are trained to:

- Bring everyone indoors
- Lock the outside doors
- Increase situational awareness
- Account for students and adults
- Do business as usual

SHELTER

"State Hazard and Safety Strategy"

Hazards might include:

- Tornado
- Hazmat

Safety Strategies might include:

- Evacuate to shelter area
- Seal the room
- Drop, cover and hold
- Get to high ground

Students are trained in:

- Appropriate Hazards and Safety Strategies

Adults and staff are trained in:

- Appropriate Hazards and Safety Strategies
- Accounting for students and adults

STANDARD RESPONSE PROTOCOL

PARENT GUIDANCE

In the event of a live incident, parents may have questions about their role.

SECURE

"Get Inside. Lock outside doors"

Secure is called when there is something dangerous outside of the building. Students and staff are brought into the building and the outside doors will be locked. The school might display the Building is Secured poster on entry doors or nearby windows. Inside, it will be business as usual.

SHOULD PARENTS COME TO THE SCHOOL DURING A SECURE EVENT?

Probably not. Every effort is made to conduct classes as normal during a secure event. Additionally, parents may be asked to stay outside during a Secure event.

WHAT IF PARENTS NEED TO PICK UP THEIR STUDENT?

Depending on the situation, it may not be safe to release the student. As the situation evolves, Secure might change to a Monitored Entry and/or Controlled Release.

WILL PARENTS BE NOTIFIED WHEN A SCHOOL GOES INTO SECURE?

When a secure event is brief or the hazard is non-violent, like a wild animal on the playground, there may not be a need to notify parents while the Secure is in place.

With longer or more dangerous events, the school should notify parents that the school has increased their security.

LOCKDOWN

"Locks, Lights, Out of Sight"

A Lockdown is called when there is something dangerous inside of the building. Students and staff are trained to enter or remain in a room that can be locked, and maintain silence.

A Lockdown is only initiated when there is an active threat inside or very close to the building.

SHOULD PARENTS COME TO THE SCHOOL DURING A LOCKDOWN?

The natural inclination for parents is to go to the school during a Lockdown. Understandable, but perhaps problematic. If there is a threat inside the building, law enforcement will be responding. It is unlikely that parents will be granted access to the building or even the campus. If parents are already in the school, they will be instructed to Lockdown as well.

SHOULD PARENTS TEXT THEIR STUDENTS?

The school recognizes the importance of communication between parents and students during a Lockdown event. Parents should be aware though, during the initial period of a Lockdown, it may not be safe for students to text their parents. As the situation resolves, students may be asked to update their parents on a regular basis.

In some cases, students may be evacuated and transported off-site for a student-parent reunification.

WHAT ABOUT UNANNOUNCED DRILLS?

The school may conduct unscheduled drills, however it is highly discouraged to conduct one without announcing that it is a drill. That's called an unannounced drill and can cause undue concern and stress.

Parents should recognize that the school will always inform students that it is a drill during the initial announcement.

It's important to differentiate between a **drill** and an exercise. A drill is used to create the "Muscle Memory" associated with a practiced action. There is no simulation of an event; this is simply performing the action. An exercise simulates an actual event to test the capacity of personnel and equipment.
